UTILITIES

Mains water, gas, electricity and mains drainage, mobile coverage is likely, potential broadband connections are ADSL, FTTC, FTTP.

KEYHAM

Keyham is a Victorian/Edwardian built area of Plymouth in the English county of Devon. It was built to provide dense affordable housing just outside the wall of HM Dockyard Devonport for the thousands of civilian workmen. In the early-19th century, Devonport Dockyard was smaller than now; it was enlarged mid-century by Keyham Steam Yard - Keyham at that period was a suburb of Devonport itself. Keyham Steam Yard was one of the locations for the first trials of the Fairbairn patent crane.

The development of housing was so rapid that HMS Hotspur later renamed HMS Monmouth was provided as a chapel ship for Roman Catholic services until the Roman Catholic Church of Our Most Holy Redeemer was built in 1901. That church was destroyed by fire following a bombing raid in 1941 and it was rebuilt in 1954.

Parts of the southern end are now subject to massive redevelopment using a regeneration package. It has a railway station. Drake Primary School and Keyham Barton Primary Schools, educate 4 – 11 year olds, with most secondary school children, attending Stoke Community College, Devonport High School for Boys or Marine Academy Plymouth (in King's Tamerton). College students, may attend Goschen Centre, or the Kings Road Centre.

PLYMOUTH

Plymouth is a city with one of the largest natural harbours in the world. To the north is the Dartmoor National Park extending to over 300 square miles which provides excellent recreational facilities. Plymouth itself has a population of well over 250,000 and has a full range of shopping, educational and sporting facilities. There is a mainline train service to London Paddington and to Penzance in Cornwall. Brittany Ferries operates seasonal services from Plymouth to France and northern Spain.
