Description

Comprising entrance porch, entrance hallway, front reception, rear reception, kitchen, pantry, rear lobby, ground floor bathroom, ground floor cloakroom, three bedrooms and first floor bathroom. The entrance porch offers a handy space for jackets and boots to dry off, leading into the entrance hallway which in turn offers more storage options. Stairs lead to the first floor along with doors to the two receptions, each with the option of a fire open or otherwise (subject to checks and inspections of the chimneys) along with views of the front and rear gardens respectively. The kitchen is located off the rear reception, with a handy pantry cupboard and a door leading to the rear lobby, which in turn has doors to a separate cloakroom, bathroom (with washing machine space) and the external side door. On the first floor there are three bedrooms, shower room and airing cupboard.

Outside there is driving parking to the front (currently accessed via a side entrance over neighbouring land and requiring amending to directly lead onto the front street), side access to the side door and rear garden. The rear garden is mainly laid to lawn, a new post and rail fence shall be erected to define the new boundary (as noted on hatched in green on the boundary image provided), a further chain link fence is between the neighbours (requiring some additions to each end in order to fully secure the garden for a dog for example), the rear has a post and rail arrangement backing on to the neighbouring paddock currently home to horses.

Services: Mains water and electric. Oil fired central heating via an external tank supply (plastic) to an external Worcester boiler. Sewage via shared septic tank (due to be upgraded to a modern compliant unit, still shared with no.1 New Cottages next door).
