Dunraven Road Little Neston, Neston

£295,000

Set in a highly sought-after location, this deceptively spacious and extended three bedroom detached bungalow enjoys an elevated position with far-reaching views across the Dee Estuary towards the Welsh Hills. While well maintained, the property would now benefit from a programme of modernisation and renovation, offering an excellent opportunity for a buyer to update and personalise a substantial home in a prime setting.

The accommodation begins with an enclosed porch leading into a spacious central hallway. From here, doors open to a front lounge and a breakfast room, which flows through to a well-proportioned kitchen with access to the rear. The hallway also provides access to two double bedrooms and a dining room, which opens via an archway into a substantial sitting room with French doors overlooking the rear garden. A bathroom and separate WC complete the ground floor.

An open tread staircase rises to the first floor, where a further bedroom benefits from dual aspect windows and elevated views.

Externally, the property sits on a generous plot with ample off-road parking and a neatly maintained front garden. To the rear, the private garden is well established, featuring a spacious patio ideal for entertaining, a raised lawn with mature shrub borders, and a timber shed.

A fantastic opportunity to acquire a well-located home with scope to enhance, early viewing is highly recommended.
