THE PROPERTY

A fantastic opportunity for first-time buyers or buy-to-let investors, this well-presented two-bedroom home is situated in the popular Barnwood area of Gloucester and benefits from off-road parking for two vehicles.

The ground floor opens into an entrance hallway with a convenient cloakroom, before leading through to a spacious kitchen with plenty of room for dining. To the rear is a comfortable living room, with French doors allowing plenty of natural light and providing direct access to the garden.

Upstairs, the property offers two well-proportioned bedrooms alongside a modern family bathroom. The layout makes excellent use of the available space, providing practical and comfortable accommodation throughout.

Outside, the low-maintenance rear garden is predominantly paved and gravelled, creating an ideal space for outdoor seating and entertaining without the upkeep of a traditional lawn. Gated access leads from the garden, while two allocated off-road parking spaces complete the property.

Barnwood remains a popular and well-connected location, offering convenient access to local amenities, Gloucester city centre and major transport links. Whether you are looking to take your first step onto the property ladder or add a promising home to an investment portfolio, early viewing is highly recommended.
