THE COTTAGE

The Cottage is a stunning and characterful Grade II listed home, dating back to the early 18th century and forming part of a picturesque row of cottages overlooking the village green.

Inside, the property is an absolute delight. The beautifully presented interiors are a celebration of period features, with exposed beams, original fireplaces and carefully considered finishes throughout.

The accommodation includes a well-proportioned sitting room featuring an attractive fireplace with wood-burning stove, newly fitted carpets and access to the cellar. Adjoining the sitting room is a second front reception room, currently arranged as a dining room, complete with exposed stonework and a charming internal window connecting to the kitchen.

To the rear, the kitchen/breakfast room is accessed via the rear lobby. Overlooking the pretty landscaped gardens, this inviting space features an Aga Range Cooker, shaker-style cabinetry and a pantry, complemented by terracotta tiled flooring. A stable door opens onto the paved terrace perfect for al-fresco dining. A separate utility room, guest cloakroom, and ground floor shower room complete the ground floor.

Upstairs, the charm continues. Three bedrooms are arranged around a central landing, alongside a beautifully fitted family bathroom with both bath and separate shower. The double-aspect principal bedroom is particularly impressive. A light-filled and elegant space with exposed floorboards and a feature fireplace.

Outside, the property benefits from attractive south-facing gardens including a paved patio, stone walling and steps leading up to well-stocked mature herbaceous borders and shrubs. To the rear, there is a further garden, extending to c140 feet, mainly laid to lawn with two garden sheds, both with power.
