A wonderful two-bedroom Victorian mid-terrace home extending to approximately 782 sq ft, situated on one of the area's most sought-after streets and offered to the market with the significant advantage of no onward chain.

The property is entered via a welcoming entrance hall, providing useful separation from the main living accommodation. The spacious open-plan sitting and dining room enjoys an abundance of natural light from sash windows to both the front and rear aspects and retains a wealth of character, including original hardwood flooring and an attractive cast iron fireplace, all of which beautifully complement the property's period charm.

To the rear of the house is a well-appointed galley kitchen, offering generous worktop space, ample storage and room for a full range of freestanding appliances. The kitchen is flooded with natural light from side-facing windows and patio doors opening onto the garden, while there is also space for a breakfast table, making it a practical and sociable space.

Outside, the south-facing rear

garden provides an excellent space to enjoy the sun throughout the day. The main seating areas are laid with paving for ease of maintenance, whilst the borders are attractively planted with a variety of established shrubs and plants. There is also the added benefit of shared rear access to the neighbouring streets.

Upstairs, both bedrooms are comfortable doubles. The principal bedroom, positioned at the front of the property, benefits from two built-in wardrobes, while the second bedroom overlooks the rear garden and offers excellent space for guests, family or a home office. The loft is fully boarded.

The family bathroom is well presented, fully tiled and incorporates the gas combination boiler serving the property's central heating system.
