Overall Description

This apartment forms part of this historic Grade II Listed building that originally was the Christ's Hospital School and still retains impressive original features, such as the clock tower, marble hall and spiral staircase. The apartment is part of the newer wing to the rear and is on the first floor with lift and stair access and a pleasant aspect looking out across the gardens below. The property has a sitting/dining room with glazed door opening onto a Juliet balcony overlooking the garden, a fitted kitchen, double bedroom and bathroom. There are wall mounted electric heaters, an immersion heater and tank for the hot water and double-glazed windows which gives the property an energy performance certificate (EPC) rating of B. The site is managed by Home Group and has a warden on site in the front office and each flat is connected to that office via the Careline intercom system, giving residents peace-of-mind that there is someone on hand if they are needed. There is also an emergency pull-cord system fitted and a separate button attached to a lanyard. Residents have use of the large communal lounge and attractively landscaped communal gardens and there is a resident's association and regular events and activities organised by the Home Group team, so there is a lively community at Chauncy Court if you wish to take part. Residents need to be over 60 years to live at Chauncy Court and pets are not allowed. The property is being sold with no chain. The property is available to view so please call to arrange a convenient time to come and look around the apartment and excellent communal amenities in person.

Location

This apartment sits in a very good central location just a two or three minute walk from Hertford East Station, around five minutes walk from the town centre, just around the corner from the bus station and a short drive from the A10, so it is very conveniently situated. The doctors, dentists and opticians are all within walking distance. The town is surrounded by some very beautiful countryside and has a wide range of leisure pursuits close to hand, including Hartham Common with its riverside walks, Activity Centre, swimming pool and tennis courts.
