THE OPPORTUNITY

MIXED USE OPPORTUNITY

This large 1938 Sq Ft property has a range of potential opportunities including.

ADDITIONAL 1 BED FLAT ON GROUND FLOOR

Planning was previously sought to create a self contained one bedroom flat at the rear of the property - please refer to proposed scheme in the images section.

Whilst ultimately planning was refused (see planning history in schedule) we understand the concept is not contentious and subject to a new planning application there is genuine scope for a successful consent.

Subject to consents.

The existing two bedroom flat has scope to create a 3rd bedroom in the lounge area.

The attic space also has scope for additional accommodation.

All subject to gaining the necessary consents.

Please refer to independent rental appraisal

COMMERCIAL INCOME

The retail area has an excellent trading position.

REDUCED PRICE FOR AUCTION

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1,500 + VAT (£1,800 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve

price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
