Accessed from the rear, this traditional stone-built property opens into a utility area housing a Worcester gas boiler. From here, a step down leads into the kitchen, fitted with a selection of wall and base units, worktops, display shelving, tiled splashbacks, a breakfast bar, stainless steel sink and drainer, Bosch dishwasher, eye-level oven and grill, and a four-ring electric hob. A spacious central hallway provides access to the front garden and a cellar.

To the right is a dining room with views over the front garden, while the living room sits to the left, featuring a bay window and a gas coal-effect fire with hearth and surround. At the rear of the property is a fourth bedroom with fitted storage. The ground floor bathroom includes a pedestal wash basin, WC, bidet, and a bath with shower over and screen, in addition to a separate WC with wash basin. The layout offers the potential to reinstate an internal staircase and return the property to a full family home.

Currently, the first floor is accessed via an external staircase and opens onto a wide landing with storage cupboard. The first-floor bathroom includes a bath with shower over and pedestal wash basin and a separate toilet while the kitchen is equipped with wall and base units, worktop, stainless steel sink, and freestanding cooker. There are four bedrooms on this level - two doubles and a single at the front with views towards the promenade, plus another double bedroom at the rear.

Externally, the property has off-road parking at the rear, a side garden, and a low-maintenance front garden with mature shrubs, hedgerow, and gated access to Silverdale Road. The property requires updating and refurbishment but presents an excellent opportunity to create a spacious and flexible home suited to a variety of needs.
