Coal Mining

This map displays nearby coal mine entrances and their classifications.

Mine Entry

- ✕ Adit
- ✕ Gutter Pit
- ✕ Shaft

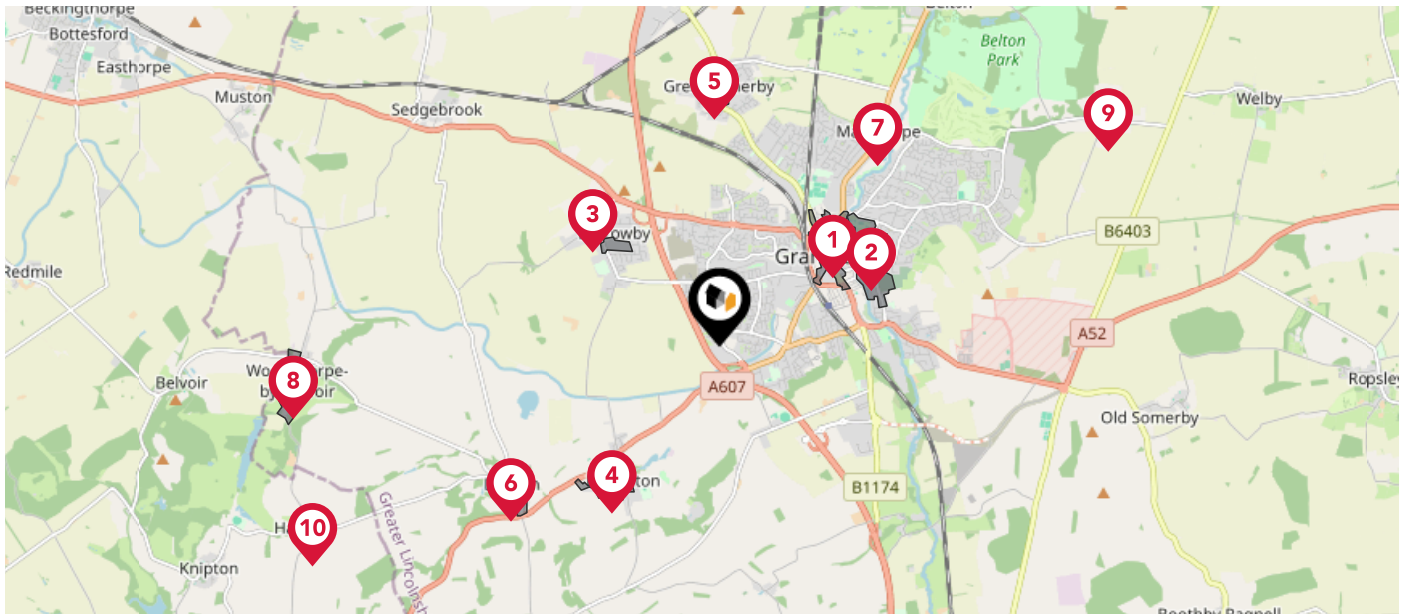

The Coal Authority has records of over 175,000 mine entries within the UK captured in the National Coal Mining database, derived from sources including abandonment plans, geological and topographical plans.

Coal mining activity is recorded as far back as the 13th century, but prior to 1872 there was no requirement to deposit abandonment plans. It is therefore believed there may be many unrecorded mine entries of which the Authority has no information or knowledge. These entries do not, therefore, appear within the Authority's national dataset as shown on this map.

This map displays the noise levels from nearby network rail and HS1 railway routes that affect this property...

Rail Noise Data

This data indicates the level of noise according to the strategic noise mapping of rail sources within areas with a population of at least 100,000 people (agglomerations) and along Network Rail and HS1 traffic routes.

The data indicates the annual average noise levels for the 16-hour period between 0700 - 2300.

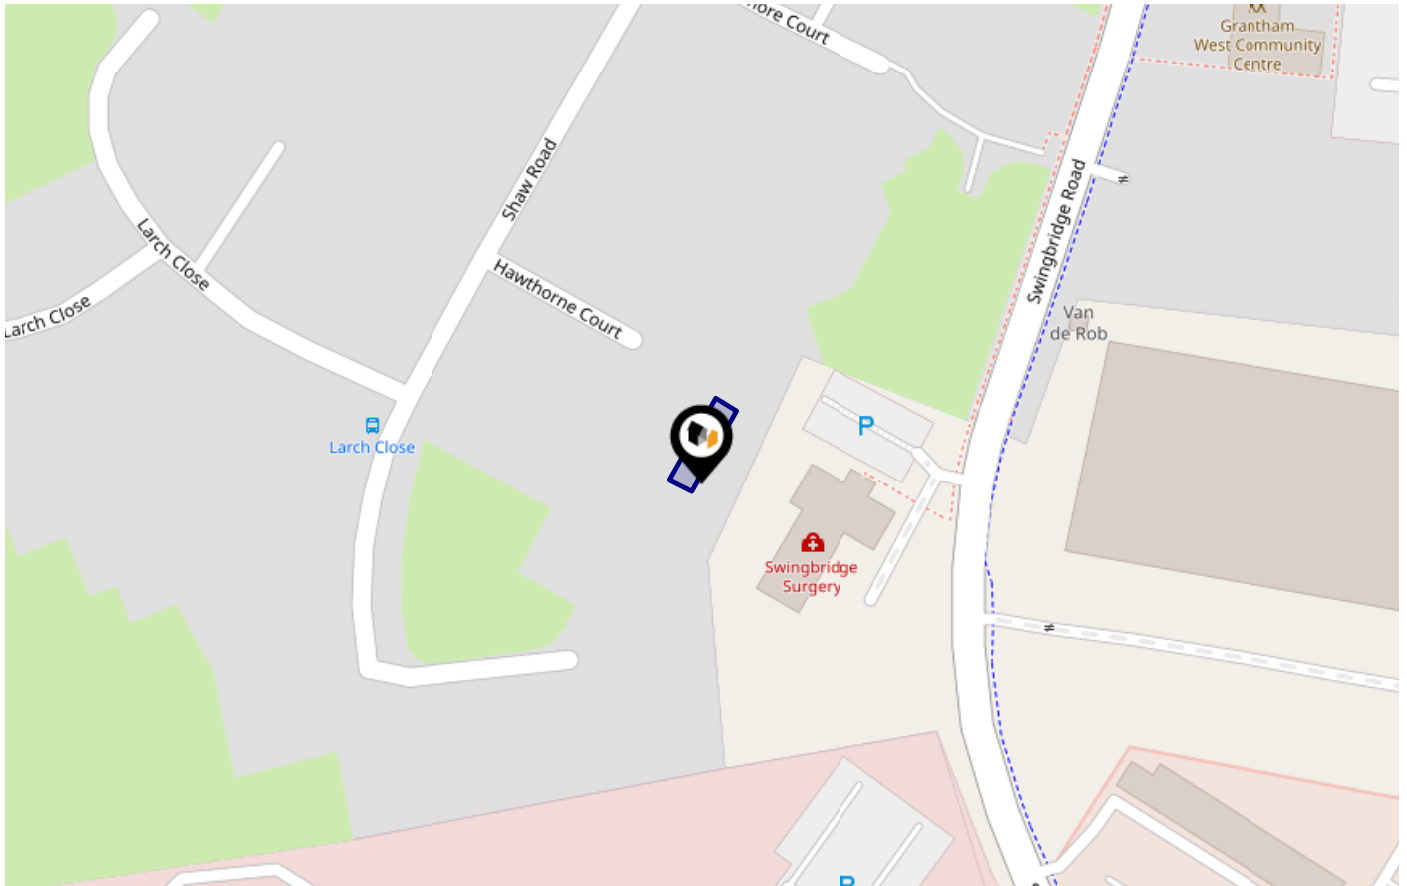

Noise levels are modelled on a 10m grid at a receptor height of 4m above ground, polygons are then produced by merging neighbouring cells within the following noise classes:

| | | | |
|---|--|--------------|---------------------------------------|
| 5 | | 75.0+ dB | ■ |
| 4 | | 70.0-74.9 dB | ■ |

What is Radon?

Radon is a natural radioactive gas, which enters buildings from the ground. Exposure to high concentrations increases the risk of lung cancer. The UK Health Security Agency (UKHSA) recommends that radon levels should be reduced in homes where the annual average is at or above 200 becquerels per cubic metre (200 Bq/m³).

Charles Dyson Estate Agents

Specialising in Grantham and the surrounding villages, Charles Dyson Estate Agents is committed to providing exceptional levels of customer service, through our dedicated and experienced team.

As most people choose their agent based on their location and experience, we are proud that the majority of our vendors and landlords are either recommended to us or are repeat customers who value the local knowledge of our friendly and experienced staff.

Whether you are buying, renting or selling we guarantee to offer a genuine one-to-one service at an affordable price.

Call us today to discuss your requirements with one of our team who will always be pleased to offer friendly impartial advice.

Testimonial 1

I bought my property through this team so they weren't directly representing me, though I did find them to be very friendly and helpful.

I couldn't get along with my conveyancer who didn't seem to want to know me, but Kristie was able to make up that shortfall by keeping me informed of what was going on from the buyer's side.

On the day I collected my keys they even gave me a welcome box full of some new home goodies.

Testimonial 2

I use Charles Dyson Estate & Letting Agents to manage all of my properties in the Grantham area. It is always my preference to deal with a local estate agent with a family feel, rather than a regional or national agency (that don't really care!).

I first started to use Charles Dyson Estate & Letting Agents in 2021, and three years on, their service continues to be exceptional.

Testimonial 3

Charles Dyson have been absolutely brilliant. A phenomenal service with great communication throughout our property sale. The team were so friendly and warm and made selling our home easy. We received regular updates during the sale and were impressed with the timely and professional service provided. We will definitely use Dysons again in the future.

Testimonial 4

Absolutely fantastic experience using Charles Dyson Estate agents to sell our property. The communication and level of efficiency was outstanding, they were really proactive and made the selling process as easy as possible for us.

Would highly recommend.
