Inside Story

Welcome to this superb family home. On entering, through a porch, you are welcomed by an entrance hall which provides access to the main living areas, useful storage and a convenient ground-floor WC.

The generous living/dining room enjoys a bright, open-plan feel, with a subtle dividing wall creating clearly defined areas for relaxing and entertaining. Two sets of French doors and windows to the rear allow natural light to pour in, with the doors opening straight onto the rear garden to seamlessly connect indoor and outdoor living.

Just off the dining area, the fitted kitchen is bright and airy, offering ample worktop and cupboard space along with pleasant views to the front.

In addition, a separate versatile reception room sits off the main living space, providing flexibility for use as a study, playroom, second sitting room or additional bedroom. This also benefits from French doors to the garden, making it ideal for family life and hosting guests.

Upstairs, there are three bedrooms, two well-proportioned bedrooms, both with fitted wardrobes and additional built-in storage. A good-sized single bedroom offers flexibility as a child's room, guest bedroom or home office. The family bathroom is fitted with a bath and shower over, wash basin and WC.

Outside, the rear garden has a sunny south facing aspect throughout the day and features a combination of patio and lawn, creating a versatile space for dining and play. To the front, a generous driveway provides ample off-road parking, complemented by a double garage for added practicality. The property also offers excellent potential for future extension, including the possibility of extending above the garage and reception room (subject to the necessary planning consents).
