A beautifully appointed Grade II listed home filled with character, space, and warmth

Positioned in the heart of the sought-after village of Norwood Green, Faircroft is a striking Grade II listed detached residence that reveals far more than first impressions suggest.

Dating back centuries and rich in period detail, the home combines exposed beams, mullioned windows, stonework, and wood-burning stoves with elegant modern styling and thoughtfully designed family living spaces.

Set beside the village's historic White Beare pub and enjoying a wonderful sense of privacy to the rear, this four-bedroom home has been carefully curated to create a welcoming and highly sociable atmosphere. Generous reception spaces, beautifully landscaped gardens, and versatile ancillary accommodation make Faircroft equally suited to relaxed family life and entertaining on a grander scale.

Ground floor

At the heart of the home is the stunning open-plan living kitchen, a wonderfully sociable space enjoying a dual-aspect outlook through traditional mullioned windows overlooking both the front and rear gardens. A wood-burning stove within a feature surround creates a warm focal point, while the generous breakfast island comfortably seats four and incorporates a wine fridge – ideal for informal dining and entertaining.

The kitchen itself is beautifully appointed with granite worktops, a Smeg range cooker with six-ring gas hob and extractor hood, integrated Electrolux dishwasher, and fridge freezer.

Adjoining the kitchen is a practical utility room with sink and plumbing for laundry appliances, alongside a convenient ground floor WC.

The cellar provides excellent additional storage and offers the perfect setting for wine storage.

The lounge is rich in character, featuring tartan carpeting, mullioned windows overlooking the front garden, and a second wood-burning stove set within an attractive surround, creating a cosy and inviting retreat.

To the rear of the property, the snug/dining room is an exceptional entertaining space with timber floorboards, exposed stone walling, and both French and bifold doors opening directly onto the garden. This room flows beautifully for indoor-outdoor living during the warmer months and also provides access to the integral double garage.

The double garage benefits from an electric roller door and includes a useful utility area with plumbing for additional appliances and space for further refrigeration, together with a separate tool room with garden access. As noted by the current owners, the garage also offers excellent potential for conversion into a gym, games room, or additional leisure space if desired.

First floor

The first floor continues the home's balance of charm and practicality, with exposed beams, mullioned windows, and generous proportions throughout.

The principal suite is particularly impressive – an expansive and beautifully proportioned retreat with views across the rear garden and neighbouring paddock. French doors open directly onto the balcony, creating a peaceful elevated seating area overlooking the surrounding greenery.

Its luxurious ensuite bathroom is exceptionally spacious and includes a corner bath, rainfall shower, twin Roca sinks, WC, and a double-width heated towel rail.

One double bedroom enjoys fitted wardrobes, views over the front garden, an exposed timber beam, and loft access.

The house shower room is stylishly finished with wood-effect porcelain tiling, vanity unit with sink, rainfall shower, heated towel rail, fitted storage cupboards, and WC.

A further double bedroom showcases impressive exposed truss beams alongside fitted wardrobes, cupboards, and an additional vanity sink. Its mullioned windows overlook the front elevation, while a private ensuite incorporates a rainfall shower, WC, and heated towel rail.

Another spacious double bedroom overlooks the rear garden through mullioned windows fitted with shutters and features attractive timber floorboards.

The study offers an ideal work-from-home environment, again with timber flooring and mullioned windows overlooking the balcony.

External features

The gardens at Faircroft are both attractive and manageable, designed to complement the sociable nature of the home while offering excellent privacy. The property also benefits from extensive outdoor lighting and CCTV.

To the front, the south-facing garden enjoys sunshine throughout the day and features a lawn bordered by mature trees and shrubs, together with a flagged seating area and gated side access.

The rear garden offers a wonderful setting for morning coffee and relaxed outdoor dining. A lawn stretches towards the neighbouring paddock, while a flagged terrace provides space for entertaining and summer barbecues. A gravelled garden area planted with acer, rhododendron, and a variety of established shrubs adds colour and texture throughout the seasons.

The current owners describe Faircroft as 'an amazing party house' with a wonderful atmosphere for social gatherings, praising both the privacy of the rear garden and the flexibility of the internal spaces.
