A small step, enclosed by timber sleepers, leads up to the main lawned area, which incorporates a hardstanding area suitable for a Wendy house or storage shed, along with a further section laid to bark—ideal for additional seating or children's play equipment.

The garden is bordered by raised, well-stocked beds featuring a variety of mature shrubs and flowering plants, providing both colour and privacy.

To either side of the property, paved pathways extend around the house, with one side offering a particularly wide, predominantly paved area—ideal for an outdoor kitchen or entertaining space—benefitting from an external power point, timber storage shed, and gated access to the front.

To the front, the property is approached via Butler Way over a dropped kerb leading onto a gravelled driveway providing parking for multiple vehicles. This area is bordered by hornbeam hedging and natural woven fencing, with a paved hardstanding area for bin and bicycle storage.

Positioned to the right-hand side of the entrance is a private and secluded vegetable garden, with raised beds, composting area, and mature beech hedging to the front boundary.
