Enviably located on Ferndale Drive, a quiet & little-known modern development straight in the heart of Appley Bridge, close to the area's excellent schools and within walking distance of the pretty Leeds-Liverpool Canal plus a local train station - this superb, detached family home totals 1076 square feet of living space and simply must be viewed to be fully appreciated. Commanding a notably impressive corner plot position with a sunny, westerly rear aspect, what really helps set the property apart from the competition is its detached double garage. Often unusual for many four bed detached homes to benefit from a double detached garage, but for a modern 3 bed detached to have one is even more unique. The property itself is beautifully presented throughout, and the home would be ideal for a variety of potential clients, such as families seeking a lovely, modern home to any clients looking for a large workshop / potential to work from home / additional storage.

The home internally comprises; an entrance hallway with ground floor wc / cloaks, a spacious front lounge with solid oak flooring, plus a superb open plan kitchen diner that was installed just 5 years ago. The smart fitted kitchen itself boasts a range of quality integrated appliances, ample storage & a breakfast bar. Beyond the kitchen is a useful porch-style lean to. Upstairs there are three bedrooms with the master bedroom boasting a modern en-suite, plus there is a principal bathroom suite.

Externally, the home sits on a really impressive overall plot, with a private westerly facing garden. To the front is a large double driveway providing ample off road parking (another unique feature for Ferndale Drive) and the double garage. The property sits at the front of the close as therefore enjoys a prettier aspect than is normally found on modern estates. Early viewings are highly encouraged. No chain delay.
