## Guide Price - £550,000 - £600,000 - Three Bedrooms | Linked-Detached | Parking for Five | Carport & EV Charger | Built 2018

If parking wars, dark kitchens and “where do we charge the car?” are on your list of things to avoid... this one solves all three.

Tucked away in a quiet spot within the ever-popular Channels Development, this beautifully presented three-bedroom linked-detached home blends modern design, lifestyle convenience and serious driveway bragging rights.

Let's start outside — because it deserves it. You've got driveway parking for up to five vehicles (yes, five), a covered carport and your very own EV charging point. Whether it's guests, teenagers with their first cars or simply loving a bit of space — you're covered. Literally.

Step inside and the home instantly feels bright, calm and thoughtfully designed. The entrance hall leads through to a stylish lounge — perfect for cosy evenings, Netflix marathons or hosting when you promise “just a quiet one.”

But the real showstopper? The kitchen/diner.

Finished with sleek high-gloss cabinetry, integrated appliances and generous worktop space, it's both practical and polished. The skylight above floods the room with natural light, giving it that airy, Instagram-ready glow all day long. It's the kind of space where weekday dinners turn into weekend wine nights — and nobody wants to leave the table.

A handy ground-floor W.C. completes the downstairs layout (because running upstairs mid-dinner party is never ideal).

Upstairs – Space, Style & a Little Luxury

The first floor continues the modern, well-balanced feel.

The principal bedroom offers that “retreat” energy — complete with a contemporary en-suite shower room and access to a private balcony. Morning coffee in your own outdoor space? Don't mind if you do.

Two further bedrooms provide excellent flexibility — children's rooms, guest accommodation, dressing room goals or that home office you swore you'd set up properly.

A modern family bathroom serves the additional bedrooms, finished in a clean, neutral style ready for busy mornings or long evening soaks.
