WHAT'S GREAT?

Enjoying a picturesque setting within the popular village of Little Harrowden, with beautiful views across the surrounding rolling countryside, this fantastic three-bedroom semi-detached home offers spacious accommodation and an impressive plot with exciting potential.

Little Harrowden is a highly regarded village in North Northamptonshire, ideally positioned for commuters with convenient transport links and benefitting from a well-regarded primary school and a local public house.

Occupying a larger-than-average plot, the property boasts an impressive frontage with considerable scope for future development, subject to the necessary planning permissions.

The ground floor begins with a generous porch leading into a spacious entrance hallway. The accommodation continues with a separate dining room and a sizeable lounge, complete with a feature fireplace, log burner and sliding doors opening into the conservatory. The kitchen has been thoughtfully extended and has maximised use of the additional space which is dual aspect and flooded with light. With plenty of storage, space for white goods and an allocated dining area, this is an ideal setting for family gatherings and entertaining! Further to this you'll also find access to both the rear garden and a convenient downstairs WC.

Upstairs, three well-proportioned bedrooms, two of which are double in size, complemented by a family bathroom, completing the internal accommodation.

Externally, the rear garden enjoys a good degree of space, featuring a patio seating area and a delightful outlook across the countryside. Side access leads to the front of the property, where a larger-than-average driveway provides off-road parking for multiple vehicles.

An excellent opportunity to acquire a spacious village home with countryside views and further potential. Please contact Oscar James to arrange your viewing.
