A beautifully presented modern home situated within the ever-popular Chestnut Park development, enjoying an enviable position within a peaceful cul-de-sac on the northern edge of Yatton village. 4 Fieldfare Gardens is a three bedroom semi-detached house, constructed by Bloor Homes in 2020 and still enjoys the balance of a 10-year structural warranty, offering further reassurance regarding build quality and long-term protection. This wonderful family home has been thoughtfully designed to offer a comfortable and well-balanced layout, ideal for a wide variety of buyers. The property enjoys a welcoming entrance hall that leads into a bright and generously sized sitting room, positioned to the front of the property and providing a warm, relaxing space for day-to-day living. To the rear, the kitchen/diner forms the real hub of the home. This attractive and sociable room provides ample space for family dining and entertaining, with views out to the rear garden and direct access through patio doors. A useful utility area sits neatly to one side, offering additional storage and practicality. Completing the ground floor is a conveniently placed cloakroom/WC, perfectly suited to modern family life.

The rear garden has been designed to be both attractive and easy to maintain. The patio is accessed via the French-style double doors, making it a very social space to utilise in the warmer months, and leads onto an area of low-maintenance artificial grass. A decked area is also on offer, providing an additional private space for relaxing or entertaining. Being fully enclosed and having an artificial lawn makes the rear garden an ideal space for children to burn off excess energy, whatever the weather. A secure gate to the side provides convenient access to the private driveway, offering off-street parking for two cars and leads to the detached single garage. To the front, an area laid to decorative gravel is the ideal spot to place potted plants and impart your personality, a path leads to the main entrance.

Chestnut Park is a modern and well-regarded development located on the northern fringe of Yatton, offering easy access to the village's wide range of amenities. Yatton itself is a thriving community with shops, cafes, schools and nurseries and falls within the catchment for the highly regarded Backwell School. The village is particularly well connected, with a mainline railway station providing direct services to Bristol, Weston-super-Mare and London Paddington. For those travelling by car, the M5 motorway is easily accessible via Clevedon, making this an ideal location for commuters and families alike.
