A superb Vickers-built 3 bedroom semi-detached family home, occupying an excellent corner plot, situated within a well-established and sought after residential area of Newark. This attractive property has been thoughtfully modernised and very well maintained throughout, offering spacious and versatile accommodation ideally suited to family living, with the added benefit of wrap-around rear gardens, driveway parking and a garage.

The internal accommodation is both light and well-proportioned, beginning with a welcoming entrance hallway which provides access to the principal ground floor rooms. To the front aspect, a comfortable lounge enjoys a walk in bay window and provides an ideal space for everyday living, while a second reception room offers flexibility as a formal dining room, family sitting room or home office, depending on individual requirements. Both rooms benefit from wood burning stoves.

The heart of the home is undoubtedly the dining kitchen, fitted with a range of bespoke made oak units, offering both character and practicality. There is ample space for dining, making it a sociable and functional area for both day-to-day use and entertaining.

To the first floor, the property offers three bedrooms, all of which are well-proportioned and fitted with bespoke made wardrobes or cupboards. These are served by a family bathroom fitted with a modern white suite, presented in a clean and contemporary style.

Externally, the property occupies a generous corner plot with wrap-around gardens, predominantly laid to lawn and complemented by patio seating areas, ideal for outdoor dining and relaxation. A driveway provides off-street parking and leads to a detached garage, further enhancing the practicality of the home.

Newark-on-Trent is a historic and vibrant market town, well regarded for its blend of heritage, amenities and excellent transport links. The town centre offers a wide range of independent shops, cafes, restaurants and well-known retailers, alongside attractions such as Newark Castle and riverside walks along the Trent.

For families, Newark benefits from a good selection of schooling for all age groups, including both primary and secondary options. The town is particularly popular with commuters, thanks to its direct rail links to London King's Cross in approximately 75 minutes, as well as easy access to the A1, A46 and A17, connecting to Nottingham, Lincoln and beyond.

This property represents an excellent opportunity to acquire a well-presented family home in a desirable and accessible location, combining character features with modern living, both inside and out.

This semi-detached Vickers built house is likely to date from the late 1930s constructed of brick under a rosemary tiled roof covering. The central heating system is gas fired with a modern central heating boiler fitted in 2010. There are replacement uPVC double glazed windows. A new electrical consumer unit was installed in 2019.
