£379,950

61 Park Road

Redruth, TR15 2JG

£379,950

Offered chain free and occupying a prime position within one of Redruth's most sought after areas, this bright and airy bungalow is well presented by the current vendor and is very worthy of an early inspection. Built in 1970, the two/three bedroomed property, with striking roof lines and equally eye catching slate frontage, occupies an elevated position, set back from the road. Fully wraparound gardens and a lengthy driveway gives a very generous front approach, the immediate feeling of space and practicality continuing inside the property. Recently decorated throughout including new LVT flooring in the lounge, hallway and kitchen, the property's entrance has real character thanks to a step formed of large pebbles set in cement and crafted to shape, leading into a very practical double aspect entrance porch with half panelled windows. An internal front door gives a welcome opening before a more purposeful hallway links all of the internal living areas. The hallway itself has a very useful built-in wardrobe and a further storage cupboard housing the gas boiler, installed in October 2025 therefore with the bulk of a 10 year guarantee remaining. The bright and airy double aspect lounge/living room with coastal views towards St. Ives is to the front of the property and has a coal effect gas fire complementing a Myson super fan convector heater. The open plan kitchen/diner, with the dining area to the front of the property, again enjoys the elevated views towards the North coast. Open access is given to the double L-shaped kitchen area via a very practical breakfast bar with storage cupboards below. There is a gas fired Rayburn Royal with plenty of space for other appliances, both under counter and free standing. Storage units and drawers have built-in handles and there is a Rangemaster ceramic single sink and drainer. The adjacent door leads out to the rear patio. Returning to the hallway, a door opens into bedroom one which overlooks the side aspect and has a fitted wardrobe to two walls including additional overbed storage. Bedroom two again overlooks the side aspect, again with a fitted wardrobe and separate matching fitted drawers. Continuing down the hallway, a door opens into what has been most recently used as a study/office but could be re-purposed back to a bedroom. Currently, there is open access into a rear double aspect sun room which has sliding patio doors opening out onto the patio. The hallway links back to the family bathroom, recently re-tiled throughout with a very stylish herringbone patterned surround to the P-shaped bath which has a thermostatic shower over. The wash hand basin is set within a vanity unit with a stylish mosaic tiled shelf and touch light mirror above. Externally, from the pedestrian pathway wrought iron gates open out onto the substantial shaped driveway with a very useful inspection pit towards the property front. There are mature borders to the front and both sides with the driveway continuing across the front and to the side of the property, providing parking for multiple vehicles, leading up to a single garage, albeit it quite long, with an electrically operated roller door, lighting and power, with pathway access to a rear door. The garage had a fibreglass roof fitted in 2020 and there is c. 14 years of a 20 year guarantee remaining. The wraparound pathway leads to the rear door and accesses the kitchen area. There is a very useful outside WC with a wash hand basin. The rear patio can access the sun room. Steps up lead to the primarily laid to lawn garden area will certainly appeal to those with gardening tendencies, the south east aspect benefiting from potential day long sunshine and light. The garden itself has a garden shed, a central border feature, a greenhouse behind the garage with far reaching views extending towards Carn Brea monument. There are block built borders to all sides.

In terms of location, there are two parks/recreational areas within a short walking distance, one of which, Victoria Park is home to Redruth Bowling Club. Furthermore, there is a Co-op convenience store and a fish and chip shop with a restaurant also within walking distance. The centre of Redruth, which has a variety of retail shops,

cafes, public houses and a cinema, can also be reached on foot within fifteen minutes or so or via a short drive. The main line railway station in the town where there are also bus services to Truro, Falmouth and other destinations, is also similarly accessible. Further afield, Portreath Beach can be accessed in under twenty minutes by car as can Tehidy Country Park and Tehidy Park Golf Club. The main A30 trunk road is just over one mile distant. There are also many other local towns and beaches which are conveniently accessible. In addition, this is a popular area giving access to Carn Marth, the second highest point in Cornwall, which can be reached in under twenty five minutes on foot, offering countryside walks with far reaching views from coast to coast.

Upvc front door with half panel clear double glazing and two clear double glazing side panels opens to:
