

Cherry Tree Barn, Salle

Guide Price £450,000 – £475,000

Cherry Tree Barn presents an exceptional opportunity to acquire a substantial detached traditional Norfolk barn with full planning permission for conversion into an outstanding country residence.

Set within approximately 1.69 acres of private grounds, the property occupies a peaceful rural position between the highly regarded market town of Reepham and the picturesque village of Heydon.

Approached via a quiet country lane with its own private driveway, the barn benefits from full planning consent granted by Broadland District Council (Planning Reference: PP-14670476) for the conversion of the existing agricultural building into an impressive five/six-bedroom family home extending to approximately 5,000 square feet.

The approved design has been carefully considered to combine the character of the original barn with contemporary country living. At its centre is a spectacular open-plan kitchen, dining and living space featuring partially vaulted double-height ceilings, creating a stunning focal point filled with natural light. Flowing seamlessly from the main living area is a generous breakfast area and informal family sitting room, providing versatile and sociable living accommodation.

The approved layout also includes all the practical elements expected of a luxury country home, including a boot room, utility room, pantry, morning room, mezzanine level overlooking the principal living space, and covered verandas that enhance the connection between the house and its surroundings.

The bedroom accommodation has been thoughtfully arranged within one wing of the barn. The impressive principal suite extends over both the ground and first floors, incorporating a dressing room, luxurious en-suite

bathroom and private staircase leading to the first-floor bedroom. In addition, there are two further en-suite bedrooms, two spacious double bedrooms and a well-appointed family bathroom, providing flexible accommodation for family living and guests alike.

The property is approached via a private driveway leading to generous parking areas serving both the barn and the adjoining outbuilding. The grounds extend to approximately 1.69 acres, providing an exceptional opportunity to create beautifully landscaped gardens and outdoor entertaining spaces. Existing mature boundaries, a wooded area and an attractive courtyard offer privacy and a superb setting while leaving ample scope for further enhancement.

Adjoining the main barn, the approved plans include a covered games and entertaining area, integral wood store, plant room, double carport and additional covered storage, completing what will be a truly outstanding rural home in one of North Norfolk's most desirable countryside locations.
