Laughterton is a small village located in the county of Lincolnshire and surrounded by beautiful countryside. The village has a rich history dating back to the Roman times, and there are many historic buildings and landmarks in the area. A central part of the village is St Paul's Church, which dates back to the 12th Century and is described as an example of Norman architecture. Local amenities in Laughterton include The Friendship Inn and a village hall. There is an excellent primary school in the nearby village of Newton on Trent. Millfield Golf Club is situated on the outskirts of the village. The village lies approximately 15 miles north of Newark, 5 miles from Gainsborough and 10 miles from Lincoln. The village is situated on the A1133 just north of the A57 junction at Newton on Trent. Access points to the A1 trunk road are accessible from the A57 at Markham Moor. Indeed, a pleasant village and convenient location for commuting to these centres.

The property has 19th Century characteristics and is traditionally built with brick elevations under a tiled roof. The chimney stacks were recently rebuilt. Lime plaster floors upstairs. Mains drainage is connected.
