”

Immaculately presented from top to bottom, this stylish three-bedroom home offers a generous and beautifully balanced layout across three floors. Set within a quiet cul-de-sac, it combines a tucked-away setting with excellent transport links, making it an ideal choice for modern family life.

The ground floor has been designed around open-plan living, creating a sociable space where the kitchen, dining and sitting areas flow naturally together. The contemporary kitchen provides excellent storage and workspace, while the dining area has plenty of room for everyday meals and entertaining. A sleek media wall gives the living area its own identity without interrupting the open feel of the room, and bifolding doors draw in plenty of natural light while opening directly onto the garden. A downstairs cloakroom completes the ground floor.

Two well-proportioned bedrooms are positioned on the first floor. The principal bedroom is a particularly comfortable space, with built-in wardrobes and its own en-suite shower room, while the second bedroom is of generous size and sits close to the family bathroom. The top floor is dedicated to a spacious third bedroom, with useful built-in storage and enough room to create a separate dressing, study or seating area if required. Its position away from the other bedrooms makes it ideal for guests, older children or those working from home.

Outside, the garden provides a private and easy-to-enjoy extension of the living space, with the bifolding doors making it especially well suited to summer entertaining. The property also benefits from two allocated parking spaces and additional visitors parking.

Springfield Close offers the best of both worlds: peaceful and tucked away, yet only a short walk from Salfords station, with direct rail services into London and Gatwick. Local amenities, schools and surrounding countryside are also within easy reach, completing a home that feels both practical and polished.
