

Station Road, Horsham, West Sussex, RH13 5EU

woodlands

This beautifully improved four bedroom semi-detached home delivers modern family living in an exceptional central Horsham location. Perfectly positioned in the heart of town, Horsham railway station is just a few minutes' walk away, while the wonderful open spaces of Horsham Park and the bustling town centre are also within easy reach. With its fantastic selection of independent shops, major high street names and an abundance of restaurants, cafés and bars all close at hand, this really is a superb setting for a family wanting convenience without compromising on space.

Significantly renovated and enhanced in recent years, the house has been thoughtfully designed to create a relaxed, comfortable and highly practical home. Steps rise to a covered entrance porch, opening into a bright and welcoming hallway that immediately sets the tone for the accommodation beyond.

The sitting room provides a cosy retreat from the more sociable areas of the house, creating a comfortable space to unwind in front of the television at the end of the day. Elsewhere off the hallway is a useful area for coats and everyday essentials, together with a convenient guest cloakroom.

Without doubt, the heart of the home is the superb kitchen/dining room. Spacious, stylish and designed with family life and entertaining in mind, it features an attractive range of fitted wall and base units alongside plenty of room for a substantial dining table. Bi-fold doors open directly onto the expansive rear garden, creating a fantastic connection between the house and outside space during the warmer months.

Adding even greater versatility is the basement level, where a generous additional room is currently put to excellent use as a family room and children's playroom. Benefitting from natural light, this adaptable space could just as easily become a dedicated home office, occasional guest bedroom or a combination of uses as family needs change.

The first floor continues to impress with three double bedrooms, offering excellent flexibility for children, guests or working from home. The largest of these benefits from fitted wardrobe storage and its own compact en-suite shower room, while a well-presented family bathroom serves the remaining bedrooms on this level.

Occupying the entire top floor is the impressive principal suite, creating a wonderfully private retreat away from the main living accommodation. Alongside the generous bedroom space is a large walk-in wardrobe area, atmospheric accent ceiling lighting and a private en-suite shower room, giving the top floor a real sense of separation and luxury.

Outside, the rear garden is another major highlight and provides exactly the sort of space families will love. A generous expanse of lawn offers plenty of room for children to play, while the large decked area creates the perfect setting for summer dining, barbecues and entertaining friends. Combining extensive and versatile accommodation, excellent outside space and an enviable position within walking distance of Horsham station, park and town centre, this is an exciting family home in a location that is difficult to beat.

Accommodation with approximate room sizes:
