Graham Road, SW19

One of the most exceptional examples of a five bedroom, two bathroom, back to brick renovated, centrally located family homes, in Wimbledon. The house is sold with no onward chain.

The ground floor has a beautiful through reception room with bespoke alcove units, and a fireplace in both the front and middle reception room. The house has been extended to the rear, to offer an exceptionally large kitchen/breakfast room, with a large granite island and exposed brick wall.

There are double doors to the rear, with a crittal effect, and a landscaped garden, of low maintenance. The first floor offers three bedrooms, with a single to the rear, luxury family bathroom beside it, alongside two further double bedrooms.

The loft has been converted, including over the outrigger to offer two double bedrooms, with the principle bedroom constructed to give maximum ceiling heights, a built in wardrobe and a decent sized bathroom located between the two bedrooms, for both to use.

Graham Road is a popular street within Wimbledon Town Centre. Located just moments from the district line, overground, restaurants, bars, shopping facilities and in the catchment for an outstanding primary school.
