what the owners will miss

"We will really miss the balance this home has offered us, nestled perfectly between Bristol and Bath, with easy access to the beautiful countryside, scenic walks, and having the cycle track right on our doorstep. It has everything from local amenities to schools within walking distance, not to mention the best fish and chip shop in Bristol! Most of all, we'll miss the kitchen/garden space, which has been at the heart of our home and so many special moments— hosting friends and family, enjoying long summer evenings, and creating memories we'll always cherish."
