Across the hallway is the heart of the home, the incredible kitchen/dining room, its open plan layout making it a fantastic space for both family living and entertaining. The stylish and streamlined kitchen is well designed with cream cabinetry topped with Silestone quartz counter tops. The room is flooded with light from the bi-folding doors at the rear which can lie open to extend the living space into the garden in the warmer months. It has an integrated Neff dishwasher and space for a large range oven with a stainless steel extractor above making it a cook's dream. There is a breakfast bar overhang for your morning coffee and ample space for a dining table and chairs at the rear to enjoy the garden views.

Climbing the stairs to the first floor you reach two graceful double bedrooms and a modern family bathroom with a double ended bath and separate shower cubicle.

A further flight of stairs takes you up to the third luxurious principal bedroom which benefits from a dressing area with fitted cabinetry and a contemporary en-suite making it a romantic and restful retreat.

Outside at the rear its garden is laid mainly to lawn with a paved terrace next to the house, ideal for summer dining. It is fully enclosed making it a safe sanctuary for children and pets and there is a wooden shed for storage and a gate for street access too.
