A wood-burning stove provides a focal point to the room, which is generously proportioned with ample space for both comfortable seating and a dining table. The contemporary kitchen is fitted with a range of wall and floor-mounted units, together with space for freestanding appliances.

The bedrooms are situated at the opposite end of the property and are both well-proportioned double, each enjoying dual aspect. The principal bedroom is particularly spacious and benefits from two built-in wardrobes. A modern shower room serves both bedrooms, with a useful airing cupboard providing additional storage.

OUTSIDE

It can be accessed directly from the kitchen or via a side gate from the parking area. Predominantly laid to lawn, the garden also features a terraced seating area immediately outside the kitchen and enjoys a high degree of privacy.

To the side of the property, there is an allocated parking space together with a single garage, which benefits from power and provides useful additional storage.
