Hendersons are delighted to introduce this beautifully renovated cottage, a truly exceptional home that has undergone a comprehensive “back to brick” refurbishment to create a stylish, energy-efficient and completely turnkey property.

Thoughtfully redesigned and finished to an impeccable standard throughout, the property perfectly balances character and contemporary living. From the moment you step inside, there is an immediate sense of warmth and quality, with carefully curated interiors, a calming colour palette and an abundance of natural light.

The welcoming living room centres around a charming feature fireplace with a log-burning stove, creating a cosy yet elegant space to relax. This flows seamlessly into a bright dining area, ideal for entertaining, with views towards the garden. The kitchen has been beautifully appointed with modern cabinetry, quality worktops and integrated appliances, complemented by stylish tiling and a separate utility room and cloakroom to the rear.

To the first floor, there are two well-proportioned bedrooms, all finished in keeping with the home’s soft, contemporary aesthetic, alongside a stunning bathroom featuring a freestanding bath and large shower unit, high-quality fittings. A further loft room on the second floor provides additional versatile accommodation, perfect as a guest suite, home office or hobby space.

Externally, the property continues to impress with a private, enclosed courtyard garden, offering a low-maintenance outdoor retreat ideal for al fresco dining.

Having been fully insulated and upgraded during its renovation, this home not only looks beautiful but offers efficient, modern living behind its characterful façade.

This is a rare opportunity to acquire a meticulously finished cottage where every detail has been considered—simply move in and enjoy.
