DESCRIPTION

Built in the later part of the 19th Century this bay fronted Victorian terraced house occupies an enviable position just a few hundred yards from the village of Hale with its range of individual shops, restaurants and wine bars and railway station. A little further to the north is the comprehensive shopping centre of Altrincham with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options and the Metrolink provides a commuter service into Manchester.

The well proportioned interior retains many of the original period features including tall ceilings, decorative mouldings and panelled doors combined with modern enhancements such as PVCu double glazing and gas fired central heating.

The accommodation is set back beyond a walled courtyard and the entrance vestibule is approached through an attractive hardwood front door. Positioned at the front, a spacious sitting room with the focal point of a period style surround and cast iron fireplace, also features a bay with fitted window seat and leads onto the inner hallway with staircase to the first floor. Toward the rear an excellent kitchen is fitted with Shaker style units and integrated appliances. Furthermore, there is ample space for a dining suite and access to the private rear gardens.

At first floor level there are two excellent bedrooms and generous modern bathroom/WC complete with separate tiled shower enclosure. The loft space has been much improved with the addition of replaced joists and panelled walls alongside light/power supplies and natural light from a velux window.

Importantly the delightful rear gardens are ideal for entertaining during the summer months with a York stone paved terrace and westerly aspect to allow enjoyment of the sun throughout the afternoon and into the evening. There is also a detached brick-built store room and WC.

Permit parking is available by application to Trafford Council.
