Bedrooms: 4 | **Bathrooms:** 1 | **Receptions:** 2

Tucked quietly in the shadow of the village church in West Lynn, this substantial four-bedroom detached home offers something increasingly rare, a beautifully evolving space that's already been transformed, yet still leaves room for you to make your own mark. With the added benefit of a self-contained two-bedroom annex, it's a home that flexes easily around modern family life, multi-generational living, or even income potential.

From the outset, there's a sense that this is a home with a story still being written. The current owners have undertaken an impressive programme of improvements, creating stylish, ready-to-enjoy living spaces, while thoughtfully leaving scope for the next chapter to be shaped by you.

Step inside and you're welcomed by a striking hallway, an introduction that immediately sets the tone. Clean lines, considered finishes, and a sense of space create a calm yet confident first impression. From here, the home unfolds naturally.

The living room and adjoining snug form a wonderfully balanced retreat, generous in size yet inherently cosy. Flooded with natural light during the day, it's a space that invites slow mornings and relaxed afternoons, while in the evening it transforms into a warm, intimate setting for unwinding with family or friends.

At the heart of the home lies the kitchen/dining room, a vibrant, light-filled hub designed for real life. This is where the pace of the day picks up: breakfast at the bar before the school run, homework spread across the table, or evenings spent cooking and entertaining. The layout is both practical and sociable, with ample worktop space, plentiful storage, and a breakfast bar that naturally draws people in. It's a space that doesn't just look good, it works hard too.

For those needing flexibility, the ground floor continues to deliver. A dedicated study provides a quiet, inspiring space to work from home, create, or focus, equally suited to a studio as it is a home office. Alongside this are two additional rooms, currently unfinished, offering exciting potential. One has been earmarked as a bathroom, while the other is a blank canvas, whether you envision a gym, playroom, or additional living space, the choice is entirely yours.

Upstairs, the sense of space continues with four well-proportioned bedrooms. The principal and second bedrooms are both comfortable doubles, while bedrooms three and four offer versatility, ideal for children, guests, or evolving lifestyle needs. The fourth bedroom is currently used as an additional workspace, though it could easily become a dressing room with fitted storage. A contemporary family bathroom completes the upper floor.

Outside, the home maintains its strong impression. A gated driveway provides ample off-road parking, while useful outbuildings add practicality, a handy store to one side and a former garage to the other, offering potential for reinstatement or repurposing.

The rear garden offers a pleasing sense of privacy, with the church providing a characterful backdrop. Decking creates a natural space for al-fresco dining and summer evenings, while the lawn beyond gives children and pets room to play and explore.
