## SITUATION & AMENITIES

Brendon is near the Northern coast of Exmoor National Park in the valley which shares its name, well known to readers of Lorna Doone as the picturesque setting for R.D. Blackmore's classic adventure. Nearby are Oare Church, Malmsmead and Robbers Bridge, which also feature primarily throughout the book. Stag Hunters Inn is within a short level walk. The twin villages of Lynton and Lynmouth are about 4 miles and, as well as their scenic cliffs and historic harbour, they offer a good range of shops, pubs, restaurants, primary school, library and even cinema. Exmoor National Park offers over 260 square miles of dramatic scenery including some of Britain's highest cliffs, steep wooded valleys, rolling pasture and mile after mile of open moorland, a haven for a wide range of wildlife including deer, Exmoor ponies, buzzards and other birds of prey. Exmoor's reputation of one of the finest areas of England for those interested in walking and riding is richly deserved. We understand that all main supermarkets deliver to the area. It is about a 50-minute drive to Taunton where trains to London take 1 hour 50 minutes. The Regional centre of Barnstaple is about 45 minutes by car. The surfing beaches of Woolacombe, Saunton and Croyde are all within the hour. For experienced surfers, Lynmouth also offers a superb break, under the right conditions. The nearest international airports are at Bristol and Exeter.

## DESCRIPTION

Little Mead presents elevations of brick and painted render, with double glazed windows, beneath a slate roof. The original property possibly dates from the 1930s, but has been extended and the roof space converted over subsequent years, and now offers deceptively generous accommodation, which is also versatile and could potentially suit dual occupation use. There is also a ground floor bedroom, bathroom and shower room which future-proofs the property. Externally there is ample off-road parking, garage space (subject to planning), a detached triple stable block, large well-tended gardens, and excellent frontage to the East Lyn River. The property is considered ideal as a principal residence, 2nd home, UK base or holiday let, as it has been in recent years for the current owners.

## OUTSIDE

From the lane, the property is approached via a 5-bar gate to a CAR PARKING AREA with space for 3-4 vehicles. The FRONT GARDEN is mainly laid to lawn, with some very mature apple trees. There is a modern oil tank and tree screen from the lane. There is access at both sides of the property to the REAR GARDEN, where there is a small PATIO and then sweeping lawns, which run down to the river's edge, which is also overlooked by a DECK/JETTY. There is an external Grant oil-fired boiler for central heating and domestic hot water. The garden continues as sweeping lawns, overlooked by a triple timber STABLE BLOCK with water tap nearby. This overlooks a further area of ORCHARD, which has a separate gated access return to the lane. The gardens are of good size, mature and provide a good deal of seclusion and privacy.

## SERVICES

Mains electricity and water. Drainage is to a private modern system. Heating is oil-fired, supplemented by electric wall heaters. According to OfCom, broadband is available in the area and mobile signal is unlikely from any provider. For further information please visit <https://checker.ofcom.org.uk/>
