Padholme Road
Eastfield, Peterborough, PE1 5EH

A substantial cleared plot of land is available on Padholme Road, close to Peterborough City Centre, offering considerable potential for redevelopment subject to planning permission. The site is being offered for sale via the Modern Method of Auction, providing a transparent and secure route to purchase within a defined timescale.

A rare and noteworthy opportunity has arisen to acquire a substantial cleared plot of land situated on Padholme Road, within convenient proximity to Peterborough City Centre. The site was formerly occupied by a large commercial unit, which was unfortunately destroyed by fire in 2023, resulting in a generous, level plot enclosed by part-brick and part-fenced boundary walls. The land presents considerable scope for a variety of alternative uses, subject to the necessary planning consents being obtained from the relevant local authority. Positioned within an established residential and commercial locale, the site benefits from good surrounding infrastructure and is well suited to a range of redevelopment proposals. Access to the plot is provided via a secure gated entrance, leading onto an extended driveway which runs the full length of the site, offering considerable potential for vehicular access to any future scheme. Owing to its size, location and proximity to Peterborough City Centre, this plot represents a compelling proposition for developers, investors or business owners seeking to bring forward a bespoke development suited to their particular requirements. The site is being offered for sale by way of the Modern Method of Auction, providing a transparent and secure route to purchase within a defined timescale. Prospective purchasers are strongly advised to make their own enquiries with the relevant local planning authority in order to satisfy themselves as to the suitability of the site for their intended purpose prior to submitting a bid.
