Tucked away in a small no-through close of just six detached homes, this well-kept property occupies a generous corner plot with private gardens, driveway parking and a garage.

Offering a flexible layout with four bedrooms and three reception areas, the property combines good living space with a quiet and convenient position within Tiverton.

Homes in Pines Close rarely come to the market. The property is surrounded by gardens extending from front to rear, thoughtfully landscaped with patio areas, water features and a good degree of privacy.

A driveway provides parking for two cars and leads to the garage, which also incorporates a useful utility area.

Inside, the accommodation is practical and well balanced. A spacious entrance hall with cloakroom leads into a central breakfast room, with the kitchen to one side and a separate dining room, currently used as a snug, to the other.

The living room is a comfortable double-aspect space with a feature fireplace, while the principal ground-floor rooms have direct

access to the garden, helping connect the house with its outside space.

Upstairs are four bedrooms, including a main bedroom with en-suite and far-reaching views. The remaining bedrooms are well proportioned, with one currently used as a study, together with the family bathroom.

The property has been well maintained and improved by the current owners, including recent boiler and plumbing upgrades, and provides a comfortable home that can be enjoyed from the outset.
