Property Description

5, Phillips Lane, Colne, Lancashire, BB8 8JB

The first floor offers two bedrooms and a family bathroom, while the large loft room provides valuable additional space that could be a useful home office, hobby room or additional living space.

Externally, the property has a flagged area to the front and a private patio to the rear, providing an easy-to-maintain outdoor area.

From the Agent's Perspective:

The flexibility offered by the loft room is a key feature of this home. For buyers who need an additional bedroom, there is potential to use the loft room as a third bedroom, subject to the relevant permissions and requirements. This gives the property scope to adapt as a buyer's needs change.

Alongside this, there is plenty of useful living space, including the generous dining room, separate front lounge and modern fitted kitchen. The private rear patio is also a great addition for those wanting some outside space without extensive maintenance.

The location is well suited to everyday life, with convenient motorway access and bus routes into Burnley. Colne town centre is a short drive away, with a range of shops and amenities, while nearby schools add further appeal.

From the Client's Perspective:

A lovely, spacious home in a quiet area of Colne. The house itself is also very quiet, making it a peaceful place to live, with generous rooms, a private rear patio and useful additional space in the loft room. The chain-free position is an added benefit.
