Situated in the heart of Carpenders Park, just a short walk from the station, local shops and well-regarded schools, this spacious and well-maintained three double bedroom home offers comfortable family living in a highly convenient location.

The property has been nicely refurbished and features double glazed windows, gas central heating with a combi boiler, and cavity walls for added efficiency. The ground floor benefits from stylish wood and tile flooring, while all three bedrooms are fitted with comfortable carpet flooring.

The generous layout includes a bright and spacious living area with chimney removal to maximise internal space, providing a modern and open feel. The kitchen comes complete with an integrated dishwasher and ample storage throughout the home.
