set foot inside

Four Oaks which has recently been completed, offers a unique opportunity to own a former farm building that's been transformed into a one of a kind conversion situated in rural Suffolk. The property which retains its original concrete frame with the addition of modern highly insulate materials now boasts a B Energy Efficiency rating.

Converted to a high specification throughout the barn now offers extremely spacious and flexible accommodation throughout comprising of - a large entrance hall which offers access to the four ground floor bedrooms, two of which benefiting from en-suites and in addition a large family bathroom. The 10m x 9m main reception room which is fully vaulted consists of a fully fitted kitchen, large windows overlooking the garden and bi-fold doors to the patio area, which really is the main focal point of this stunning property. In addition to this there is a good size utility room.

the first floor

On the first floor there is a good size reception area that also boasts a kitchenette offering flexible usage such as an entertaining or office area. There is a further area which could be used as storage leading to the plant room. In addition to this there is a stunning roof terrace area overlooking the rear garden and farmland - a real must see! The property is further enhanced with an Air source heat pump delivering underfloor heating to the ground floor and radiators to the first floor.

outside living

The detached building consists of a treble bay cart lodge with an EV charger and room above measuring 5.36m x 9.60m, offering flexible usage for the incoming purchasers. Adjoining the cart lodge is an outside kitchen with covered reception area and a WC. This opens out onto the expansive partly walled patio area overlooking the rear gardens and farmland. In all the property is set in grounds of 1.6 acres (sts) and will be topped and grass seeded.

Externally and approached via a single farm track, the property is towards the end of a no through lane with only one near by neighbour. To the front of the property you'll find a large shingled parking area leading to the impressive outbuilding.

We strongly advise a viewing to really appreciate all it has to offer and most notably the position, plot size and high specification. It really is an opportunity to own a truly one off property.

surrounding area

Four Oaks is located at the end of a long track and positioned midway between Kelsale and East Green. The historic village of Kelsale, with its varied mix of period properties, has an active local community and stands just 8 miles from the beautiful Suffolk Heritage Coast. Nearby Saxmundham (1.5 miles) provides a full range of local shopping and commercial facilities, together with both doctors and vet practices. The town has a Waitrose store, and its rail station provides regular, soon to be direct, service to London's Liverpool Street Station (via Ipswich). The A12, which bypasses both Saxmundham and Kelsale, provides direct links south to Woodbridge, Ipswich and the country's main road network beyond.

services

Mains water and electricity and the heating is served by an Air Source Heat pump.

Sewage is provided by a private sewage treatment plant (newly fitted)
