Offering versatile and generously sized accommodation which extends to approximately 2300 square feet, internal inspection and consideration of this magnificent home is imperative to appreciate the amount of work and thought invested by the current owner to provide a superior specification and immaculate residence ready to be moved straight into. Providing a fabulous balance between the three separate reception rooms plus the wonderful kitchen and separate sitting/family area, along with five double bedrooms and three bath/shower rooms, all centred around the beautiful reception hall and open galleried landing.

Occupying a delightful plot in the highly regarded and 'aspirational' location which though situated towards the edge of Uttoxeter, is still within easy access to the local amenities including open/green spaces and the convenience shop found on the Bird Land development, plus the town centre with its wide range of amenities including several supermarkets and independent shops, public houses and restaurants, coffee houses and bars, the three tier school system, train station, doctor surgeries, modern leisure centre and gyms, and the multi-screen cinema. The nearby A50 dual carriageway links the M1 and M6 motorways, plus the cities of Derby and Stoke-on-Trent.

Accommodation - The beautiful reception hall provides a welcoming introduction to the home, and an immediate impression of the size, standard and versatility of the accommodation to come. Having stairs rising to the first floor with a cupboard beneath, and doors opening to the spacious ground floor accommodation and the fitted guest WC.

The generously sized dual aspect lounge has now got a focal chimney breast with a contemporary living flame effect electric fire and inset media space above, with natural light provided by the front facing window and the wide uPVC double glazed French doors and side panels overlooking the rear garden. The separate dining room has a bay to the rear providing additional space and light, overlooking the garden with wide uPVC double glazed doors providing direct access outside. Also positioned to the rear of the home and overlooking the garden is the study, which could be used as a snug or gaming room.

The heart of this home is the hugely impressive and well-proportioned triple aspect kitchen with its separate family area, currently used for casual dining but equally adept for soft seating or a play area depending on your household's needs. The kitchen has an extensive range of units with a matching island, fitted worksurfaces with an inset sink unit set below the rear facing window, space for a gas range stove with an extractor hood over, and integrated appliances including a dishwasher, wine cooler and a fridge/freezer, plus a useful built-in storage cupboard.

Completing the ground floor space is the fitted utility room which has matching units to the kitchen with a worktop and an inset sink unit, space for white goods, both a window and door to the side elevation, and a door providing direct access into the double garage.

The splendid galleried landing has a front facing window providing natural light, access to the boarded loft via a fitted pull-down ladder, and a built-in airing cupboard. Doors open to the five good sized bedrooms, all of which can accommodate a double bed and also enjoy a pleasant outlook, especially those to the rear. The excellent master bedroom has dual aspect windows providing an abundance of natural light, a bank of fitted wardrobes to one side and a superior ensuite shower room which has a white modern suite and complementary tiling and cupboards, incorporating a large double cubicle with a mixer shower over. Two of the other double bedrooms also benefit from fitted wardrobes, with two rooms also sharing a fully tiled 'Jack and Jill' shower room which has a superior modern suite incorporating a double cubicle with a mixer shower over.

Completing the accommodation is the refitted family bathroom, with its high quality four-piece suite and feature tiled walls incorporating both a panelled bath and separate corner cubicle with a mixer shower over.

There is a useful shed to one side of the home, and on the opposite side, the Indian stone paving wraps around the property and has gated access to the front.

To the front is a garden laid to lawn. A wide tarmac driveway provides off road parking, with a EV charging point and access to the double garage, having an electric up and over door, power and a personal door into the home.
