PROPERTY DESCRIPTION

Situated within the popular village of Seamer, this attractive semi detached cottage offers a deceptive amount of accommodation behind its traditional stone frontage. With three bedrooms, generous reception space and parking to the rear, the property would make an appealing permanent home for a range of buyers.

The property is approached through a neatly enclosed front garden with mature hedging and a gated pathway leading to the entrance. On entering, the property opens into a generous main living room, where an attractive fireplace with a substantial timber surround provides a focal point. To the rear of the room is a useful additional area, currently well suited to a desk or home-working space. To the side is a separate lounge, providing a comfortable second reception room and giving the ground floor plenty of flexibility for family life or entertaining. Beyond the living room, an inner hallway leads to the ground-floor WC and fitted kitchen. The kitchen offers a range of units and work surfaces and opens into a bright dining room, where a rooflight and French doors create a particularly light and pleasant space with direct access to the outside seating area.

To the first floor are three bedrooms. The principal bedroom is a generous double with a wide front-facing window, while the remaining bedrooms offer flexibility for family, guests or home-working space. The bathroom is notably spacious and well equipped, featuring a freestanding bath, separate shower enclosure, WC and wash hand basin, together with a window providing natural light.

Externally, the property continues to impress. To the rear is a gravelled area providing off-street parking, an increasingly valuable feature for a village cottage. There is also a small low maintenance courtyard area featuring paved and gravelled sections, a timber garden shed and a separate enclosed paved courtyard immediately outside the dining room. This area provides ample room for a table and chairs and offers an attractive, relatively low-maintenance space for outdoor entertaining.

Overall, this is a characterful and deceptively spacious village home, combining the appeal of a traditional cottage with three bedroom accommodation, generous living space, a large bathroom and off-street parking, all within the established village of Seamer.
