Jenkinson Estates are pleased to bring to the market this impressive two-bedroom semi-detached house with its own private front and side garden with off road parking. The property is situated in the quiet residential area of North Deal, just a few minutes' walk from the seafront, and is offered for sale as either a Leasehold or Freehold property.

The property has been updated throughout by the current owner and consists of an open plan lounge and kitchen diner on the ground floor and two bedrooms and a bathroom on the first floor.

The kitchen has been redesigned to maximise space and includes a mixture of oak and laminate worktops and shelves. Along with a range of fitted drawers and cupboards it also includes a Neff built-in oven with slide & hide oven door, an inset white Butler sink, a two-ring induction hob, an integrated fridge with icebox and an integrated washing machine.

On the first-floor landing there is access to the loft, which is partially boarded and has a light installed, and there is a deep linen closet which stretches back over the stairs. The main double bedroom has a built-in corner wardrobe with a TV inset in the wall, and the bathroom has a three-piece suite with a shower over the bath and anti-slip tiles on the floor. The second bedroom is a good sized single and is currently used as a home office.

This well-presented home is currently a Leasehold shared-ownership property managed by Sanctuary Housing Association. The current owner is selling their 75% interest for £168,750; however, the full 100% Freehold title can be purchased for £225,000.
