WHAT OUR VENDOR SAY

Mum and Dad moved out of our family home into the bungalow to help in their old age. Both absolutely loved it. Although I wasn't brought up here I have fond memories particularly of Sunday lunches mum liked to do for us. Once the grandchildren appeared mum loved it even more. The kids had great fun playing in the garden.

With the bungalow being central to Janes and mine there was always one of us visiting, if not me and Jane, then our kids.

It's a very comfortable bungalow, it was always cosy and warm. Certainly a very happy home. The south facing back garden was fantastic.

Mum and dad did rattle around a little in it but it was just one of the best things they ever did moving here.
