

Nestled in a peaceful cul-de-sac within easy walking distance of Liss centre and the mainline station, this detached bungalow offers a great opportunity in a genuinely convenient location.

Approached via a private driveway providing off-road parking, the property sits behind mature planting to the front.

Internally, the accommodation offers a solid, versatile layout. The kitchen is fitted with cream cabinetry and space for freestanding appliances, with a door leading out to the garden, and the property benefits from part rewiring carried out when the kitchen was installed. The sitting/dining room is a generous dual-aspect space measuring over 22ft, with a feature fireplace. The rear portion of the garage has been converted to provide a versatile study, complete with French doors opening onto the rear garden, ideal as a home office or further reception space, while the remaining garage space still comfortably accommodates a small car. Two double bedrooms are served by a family bathroom. A good quality Vaillant combi boiler, around two years old, and a large attic with a pull-down ladder for additional storage complete the picture.

Outside, the rear garden features a raised timber decked seating area with steps down to a paved patio, complemented by a well-maintained lawn and bordered by established planting.
