SITUATION

Helstone is a hamlet nearby to Camelford, which offers a Post Office and a general store, well respected public houses, churches, town hall and local schools. The former market town of Wadebridge is just over 9 miles from the property. The town sits astride the River Camel and offers a wide variety of shops and restaurants with primary and secondary schools, cinema, numerous sports and social clubs and access to the ever-popular Camel Cycle Trail. The property is perfectly located to access the magnificent North Cornish coast and is within 11 miles of the sandy surfing beaches of Polzeath and Daymer Bay. There are mainline rail services available at Bodmin Parkway, connecting to London Paddington via Plymouth, whilst Newquay Airport provides both domestic and international flights. Access to the A30 can be gained at Bodmin linking the cathedral cities of Exeter and Truro.

ACCOMMODATION

On entrance you are greeted by a spacious porch, which gives access to the cloakroom and dining room. The cloakroom has a wall mounted heated towel rail, wash hand basin and low level WC. The dining room has two windows to the rear garden and leads to the kitchen and both sitting rooms. The kitchen offers a range of base and wall units, built in dishwasher, eye level oven and grill, induction hob, pantry cupboard, breakfast bar and French doors onto the decking, perfect for al fresco dining. Sitting room one boasts a wood burner with granite hearth and a triple aspect with views of the countryside and front garden. Sitting room two has a window to the front and could be an alternative dining room.

Stairs rise to the first floor landing which gives access the all three double bedrooms and family bathroom. Bedrooms one and two have ample space for furniture and windows with window seats, overlooking the front garden. Bedroom three boasts a dual aspect looking out onto the countryside views. The family bathroom has a freestanding bath with underfloor lighting, walk in waterfall shower, vanity basin with mixer tap, wall mounted heated towel rail and low level WC.

OUTSIDE

Outside there is parking for multiple vehicles, which can be accessed by two entrances. The garage has a charging point for electric vehicles, roller door and two side doors, one of which leads to a utility space. A slate path leads to the back door, rear seating area and front garden. The front garden has a tiered, laid to lawn area at the top, which has the potential to be a fantastic vegetable garden. A shingle path leads to the decking and the lower gardens, which are laid to lawn with a variety of mature trees and bushes. Previously, to the right of the front garden, there was planning permission obtained for a single dwelling which has now expired.
