This beautifully presented garden apartment combines stylish modern finishes with the character of a period building, set in a highly desirable position along Hill Road.

Initially accessed via a slope from road level, the property opens into a small communal entrance hall shared with just two other apartments. Stepping inside, a central hallway with useful additional storage provides access to all rooms. There are two well-proportioned bedrooms, both featuring bespoke birch plywood built-in wardrobes, along with a contemporary shower room complete with walk-in shower, modern white suite and underfloor heating. Engineered oak herringbone flooring runs throughout, enhancing the sense of quality and continuity. The kitchen/dining room is thoughtfully designed with Corian worktops, marble tiling and an abundance of storage, as well as space for a dining table. It connects seamlessly to a bright living room, where two sets of double doors open onto a raised deck, creating an excellent indoor-outdoor flow.

The secluded garden enjoys a leafy backdrop onto Herbert Gardens and offers a patio seating and BBQ area with pergola, enclosed by attractive stone walling. The space is very private, designed in two parts with a courtyard and garden, and is solely for this property. There is secure a shed greenhouse greenhouse, along with gated access to the front of the building. This access could be used as a private entrance rather than via the communal hall.

Ideally positioned within walking distance of local amenities including Sainsbury's Local, a range of popular cafes, restaurants, hairdressers, the bowling green and Clevedon Pier, this apartment is perfectly suited to young professionals or those considering retirement. The property is also sold with no onward chain.

Stylish two-bedroom garden apartment on Hill Road with modern interiors, private outdoor space backing onto Herbert Gardens, and excellent local amenities nearby.
