An exceptional Wolds' property where traditional charm meets modern efficiency.

The property is approached via a 5-bar gate and you are welcomed by a timeless country elegance featuring a charming boarded exterior that perfectly complements this pastoral setting.

The cottage is completely surrounded by breathtaking countryside with panoramic views stretching to the horizon. Furthermore, the land adjoins Elmswell Beck, the most northerly chalk stream in Europe, which is a Site of Special Scientific Interest with a wide variety of visiting birds and peaceful setting.

Shepherd's Cottage is designed for contemporary family living and wonderful comfort offering four generous bedrooms, two of which benefit from luxurious en-suite bathrooms, whilst downstairs the versatile layout offers three reception rooms, all complemented by the delightful farmhouse style kitchen which forms the heart of the home and is thoughtfully designed to offer the perfect space for cooking, dining and gathering.

This is an extremely energy efficient dwelling, where sustainability and low running costs have been paramount in the design and are evidenced by the integrated solar panels and state of the art Heat Recovery Ventilation system, which ensures a constant supply of fresh filtered air throughout the home whilst reducing heat demand. The grounds are as beautiful as the home itself and laid mainly to lawn with mature planting beds as well as a double garage which provides excellent parking and storage facilities. The property also includes an extremely useful building which would be ideal for use as a home office, gym, studio or guest annexe, including Kitchen & Bathroom, adding a valuable flexible space to the accommodation.

This really is an outstanding property, the quality of which is rarely available on the open market, offering spacious high specification accommodation which is particularly eco-friendly and located in a most beautiful position.
