Upon entering, you are welcomed by a spacious entrance hall that immediately showcases the generous proportions of this unique home. Arranged over three well-planned levels, the versatile accommodation includes a formal dining room, cloakroom/WC and Bedroom Four on the entrance level, while the central floor comprises the main living room, kitchen, utility room, two further double bedrooms and the family bathroom. Occupying the entire upper floor is an impressive principal suite with extensive fitted wardrobes and a private en-suite shower room.

The entrance-level reception room is currently arranged as a formal dining room, creating an elegant setting for entertaining. Wide sliding patio doors flood the room with natural light and provide direct access to the rear garden, although the space could equally serve as an excellent living room. Bedroom Four offers flexibility as a guest bedroom, home office or study, while a cloakroom/WC completes this floor.

A short flight of five steps leads to the central level, where the landing benefits from two useful built-in storage cupboards. The spacious living room provides a welcoming space to relax, with sliding patio doors opening directly onto the rear garden and creating an excellent connection between the indoor and outdoor spaces. Positioned alongside, the kitchen is fitted with an extensive range of timber-fronted wall and base units complemented by white laminate work surfaces with timber-effect edging, offering generous storage and preparation space. An adjoining utility room provides further workspace and practical storage.

Bedrooms Two and Three are both comfortable double rooms overlooking the front of the property, with Bedroom Two also benefiting from a built-in double wardrobe. Completing this floor is the family bathroom, fitted with a four-piece suite comprising a panelled bath, separate walk-in shower, wash basin and WC.

Ascending to the upper floor, you arrive at an impressive principal suite occupying the entire top level of the home. Extending the full length of the property, the spacious bedroom provides ample room for a range of furniture and benefits from a full wall of fitted wardrobes. The en-suite shower room is fitted with a shower cubicle, wash basin, bidet and WC. Subject to the necessary consents and any required building regulations, the generous proportions of this floor also offer the potential to subdivide the space to create two well-proportioned double bedrooms, if desired.

GARDEN

To the rear, the property enjoys a generous and beautifully established garden, accessible directly from both reception rooms via sliding patio doors, creating a seamless connection between the indoor and outdoor living spaces. A spacious patio provides the perfect setting for al fresco dining and entertaining, while the garden extends into a substantial lawn bordered by a variety of mature trees, ornamental shrubs and colourful planting. The expansive plot not only offers a private and tranquil outdoor setting to enjoy throughout the seasons but also presents excellent potential to extend the property to the rear, subject to the necessary planning permissions and building regulations, making this an exciting opportunity for those looking to create their ideal family home.

GARAGE & DRIVEWAY

The property is further complemented by a detached garage and a generous driveway, providing off-road parking for multiple vehicles.
