£250,000 Freehold

Affordable Bungalow Living In The Heart Of Farnsfield

An excellent opportunity to acquire an affordable and easily managed 2 bedroom detached bungalow located right in the heart of Farnsfield, forming part of this small development of similar properties, originally designed with comfortable retirement living in mind.

The location is a particular attraction, with the village shops, cafés, Co-op, and other everyday amenities all within very easy reach, making this an ideal choice for anyone looking to enjoy village life without being reliant on a car.

The accommodation extends to approximately 549 sq ft and is arranged around a central hallway, with a good-sized lounge/dining room opening directly onto the rear garden, a fitted kitchen, two bedrooms and a shower room. There is also useful built-in storage.

Outside, the property enjoys a pleasantly established low-maintenance rear garden, providing a private space to sit out and enjoy the warmer months. The property also benefits from **one allocated parking space together with additional guest parking** within the development.

While offering scope for some cosmetic updating, this is reflected in what we believe represents particularly good value for a detached bungalow in such a convenient central Farnsfield location.

Offered for sale with no onward chain, it should appeal particularly to downsizers, retirees or anyone looking for manageable single-storey living within short walking distance of all village amenities.
