Location

Crakehall is a village which lies along the route of the A684 and is split into two parts by Bedale Beck, a tributary of the River Swale. The north-west part is known as Little Crakehall, and the south-east part as Great Crakehall. The village is approximately 2 miles (3 km) west of Bedale, which is a market town and markets have been held in the town since 1251 with the regular Tuesday market still taking place today. The town has a range of schooling opportunities for children up to the age of 16 years and also boasts a leisure centre with a swimming pool and gym, a football club, golf club and being the gateway to the Yorkshire Dales, there are plenty of scenic walks and country pursuits close by too. Bedale has excellent road links including the new bypass, and Junction 51 of the A1M provides access to the national motorway network.
