Bedroom

1

Bathroom

This ground floor, one-bedroom flat is available for rent on Swift Road, Southampton. The property features a modern kitchen equipped with an oven and hob, one reception room, and a bathroom. It offers off-road parking and is currently unfurnished, providing a blank canvas for tenants to personalize. With its convenient location and immediate availability, this flat is suitable for individuals or couples seeking a practical living space.

Located in the vibrant area of Southampton, this ground floor flat at Arrowlea, 153 Swift Road, offers a practical living solution with one bedroom, one bathroom, and one reception room. The flat is unfurnished, allowing tenants to furnish it according to their personal style. The modern kitchen comes equipped with an oven and hob, providing essential facilities for meal preparation. The property also benefits from off-road parking, a valuable feature in this bustling area.

The flat's layout is straightforward and functional, with a reception room that can serve as a living or dining area. The bedroom is well-sized, offering ample space for a bed and storage units. The bathroom is conveniently located and includes standard fixtures. The modern kitchen is designed for efficiency, featuring necessary appliances such as an oven and hob, making it suitable for everyday cooking needs.

The property is situated in Southampton, a city known for its rich maritime history and vibrant cultural scene. Residents can enjoy easy access to local amenities, including shops, restaurants, and public transport links. Southampton's city centre is a short distance away, offering a variety of shopping and entertainment options. The area is also home to several parks and green spaces, providing opportunities for outdoor activities and relaxation.

In terms of energy efficiency, the property has been designed to meet modern standards, ensuring a comfortable living environment. The flat's location on Swift Road offers convenient access to major road networks, making it an ideal choice for commuters. With its practical features and prime location, this one-bedroom flat is available now, providing a straightforward rental option for those looking to settle in Southampton.

Energy performance certificate (EPC)

Flat 7 Arrowlea 153 Swift Road SOUTHAMPTON SO19 9ES	Energy rating D	Valid until: 28 October 2031
		Certificate number: 9390-2653-9100-2829-7031

Property type	Ground-floor flat
Total floor area	43 square metres

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions \(https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance\)](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

Energy rating and score

This property's energy rating is D. It has the potential to be C.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60

Score	Energy rating	Current	Potential
92+	A		
81-91	B		
69-80	C		75 C
55-68	D	56 D	
39-54	E		
21-38	F		
1-20	G		

Breakdown of property's energy performance

Features in this property

Features get a rating from very good to very poor, based on how energy efficient they are. Ratings are not based on how well features work or their condition.

Assumed ratings are based on the property's age and type. They are used for features the assessor could not inspect.

Feature	Description	Rating
Wall	Cavity wall, as built, insulated (assumed)	Good
Wall	Solid brick, as built, insulated (assumed)	Good
Window	Fully double glazed	Good
Main heating	Room heaters, electric	Very poor
Main heating control	Programmer and appliance thermostats	Good
Hot water	Electric immersion, off-peak	Poor
Lighting	Low energy lighting in 83% of fixed outlets	Very good
Roof	(another dwelling above)	N/A
Floor	Solid, no insulation (assumed)	N/A
Secondary heating	None	N/A

Primary energy use

The primary energy use for this property per year is 386 kilowatt hours per square metre (kWh/m²).

How this affects your energy bills

An average household would need to spend **£793 per year on heating, hot water and lighting** in this property. These costs usually make up the majority of your energy bills.

You could **save £303 per year** if you complete the suggested steps for improving this property's energy rating.

This is **based on average costs in 2021** when this EPC was created. People living at the property may use different amounts of energy for heating, hot water and lighting.

Heating this property

Estimated energy needed in this property is:

- 3,605 kWh per year for heating
- 1,526 kWh per year for hot water

Impact on the environment

This property's environmental impact rating is E. It has the potential to be D.

Properties get a rating from A (best) to G (worst) on how much carbon dioxide (CO₂) they produce each year.

Carbon emissions

An average household produces 6 tonnes of CO₂

This property produces 2.8 tonnes of CO₂

This property's potential production 2.3 tonnes of CO₂

You could improve this property's CO₂ emissions by making the suggested changes. This will help to protect the environment.

These ratings are based on assumptions about average occupancy and energy use. People living at the property may use different amounts of energy.

Steps you could take to save energy

Step	Typical installation cost	Typical yearly saving
1. Floor insulation (solid floor)	£4,000 - £6,000	£154
2. High heat retention storage heaters	£800 - £1,200	£149
