## THE PROPERTY

A well presented and deceptively spacious three bedroom townhouse, ideally positioned within a small and tucked away close, conveniently located within easy reach of Storrington village centre and its excellent range of local amenities.

Arranged over three floors, the accommodation offers both versatility and well balanced living space throughout. The ground floor features a generous dining area with attractive wooden block flooring, creating a warm and welcoming reception area, whilst the kitchen/breakfast room is fitted with a range of two-tone shaker style units, space for freestanding appliances and enjoys direct access to the rear courtyard garden. An internal door also provides convenient access into the integral garage.

To the first floor, the bright and airy west facing sitting room enjoys plenty of natural light and features a Juliet balcony, creating an ideal space for relaxation and entertaining. Also on this floor is the second bedroom, benefitting from distant views towards the South Downs, together with a well appointed shower room accessible from the bedroom and landing.

The second floor continues to impress, comprising a particularly spacious principal bedroom with ample space for freestanding wardrobes, a further bedroom which also enjoys elevated views towards the South Downs, and a modern fitted family shower room.

## OUTSIDE

To the front of the property, a brick paved driveway provides off road parking for two vehicles and leads to the integral garage, offering both convenience and additional storage potential.

To the rear, the enclosed courtyard garden has been thoughtfully designed with ease of maintenance in mind, predominantly laid to patio and attractively enhanced by a variety of mature potted plants, creating a pleasant and private outdoor space ideal for relaxing or entertaining.
