Tucked away in one of Old Isleworth's most charming and peaceful locations, this delightful Victorian home offers a wonderful combination of period character, generous living space and an enviable riverside setting with mooring.

The property features two comfortable double bedrooms, two bathrooms and three welcoming reception rooms, providing plenty of space for both relaxed family living and entertaining.

It is the garden that truly sets this home apart. Extending to over 100ft, it provides an exceptional outdoor space backing directly onto the River Crane and benefiting from its own mooring, the garden offers a wonderfully tranquil outlook and a unique connection to the water.

There's also plenty of potential to make the house your own, including the opportunity to extend into the loft, subject to the usual planning permissions. This could provide valuable extra space as your needs change.

Old Isleworth offers a charming village feel with a strong sense of community, farmers markets, Georgian architecture and riverside walks. Richmond Station is accessible on foot with fast connections to Waterloo. The area has excellent schools, The Blue School and St Mary's Catholic Primary School.
